

United States Bankruptcy Court
District of Arizona

ATTORNEY FOR DEBTOR

MASTER MAILING LIST REQUIREMENTS

Local Rule of Bankruptcy Procedure 1007-1(a) requires a master mailing list be filed with the petition in the format specified by the clerk. The list must conform to the following requirements:

1. The mailing list must be typed in black ink.
2. Include the debtor name and case number in the one inch top margin.
3. The list must be typed in a straight column on the left margin, using ALL CAPS.
4. Typing on each line shall not exceed 40 characters.
5. Each name and address must consist of no more than five (5) total lines.
6. Include the City, State and Zip Code on the last line of each address. The State must be abbreviated using the U.S. Postal Codes below.
7. Single space the list with at least one blank line between creditors.
8. Do not include the name and address of the debtor, joint debtor, attorney for debtor, U.S. Trustee or Case Trustee. This information is added by the court.
9. Include a Mailing List Declaration page when filing the mailing list on the docket.
10. Upload the list of creditors in a text file format (.txt or .scn). (Instructions follow.)

Supplemental (Amended) Mailing Lists

Pursuant to Local Rule of Bankruptcy Procedure 1007-1(a)(2) "When an addition or change is made to the master mailing list, the entire master mailing list must not be refiled, only a supplemental master mailing list, in the required format, containing the newly added or changed creditors shall be filed and electronically submitted."

Incomplete Addresses

An address that does not include a Street Address or PO Box, City, State and Zip Code may not be mailed.

Notice of Returned Mail

Notices that are mailed by the Bankruptcy Noticing Center, but returned by the post office as undeliverable, are returned to the debtor or debtor's attorney. The debtor or their attorney may correct the address on the notice and file it with the Clerk's Office. The debtor or their attorney must mail the returned notice to that creditor at the corrected address.

Notice of Undeliverable Mail

The Bankruptcy Noticing Center will send to the debtor and debtor's attorney a Notice of Undeliverable Mail stating why a notice was not mailed to a particular creditor. The debtor or their attorney may correct the address on the notice and file it with the Clerk's Office. The address will then be corrected for any future notices. The debtor or their attorney must mail the non-mailed notice to that creditor at the corrected address.

Uploading the Mailing List in a Text File Format

After opening a bankruptcy case on the court's CM/ECF system, the attorney is required to upload the mailing list, in a text file format (.txt or .scn), in **Creditor Maintenance**. Most bankruptcy software will extract the mailing list from the schedules in the format required. You may also create a text file from your word processing software.

The mailing list should be uploaded immediately after filing the petition. If not uploaded at this time, it must be uploaded within seven (7) days or the case may be dismissed. If filed after the seven-day period, in addition to uploading the mailing list, it must be filed on the docket as a separate PDF document.

To upload or add creditors, select **Creditor Maintenance** from the **Bankruptcy** events menu.

When uploading the initial mailing list, select **Upload list of creditors file**.

Alternatively, each creditor can be added using the **Enter individual creditors** option.

When filing an amendment to the schedules or mailing list that adds creditors or changes an address, those creditors must also be added to the mailing list in **Creditor Maintenance**. When choosing the **Upload** option, the text file must contain only the newly added or changed creditors.

Creditor Maintenance is to be used only in conjunction with filing schedules, amended schedules, mailing list or an amendment to the mailing list, and not in lieu of filing these documents.
