**UNCLAIMED FUNDS FILING INSTRUCTIONS
(4/11/2006)**

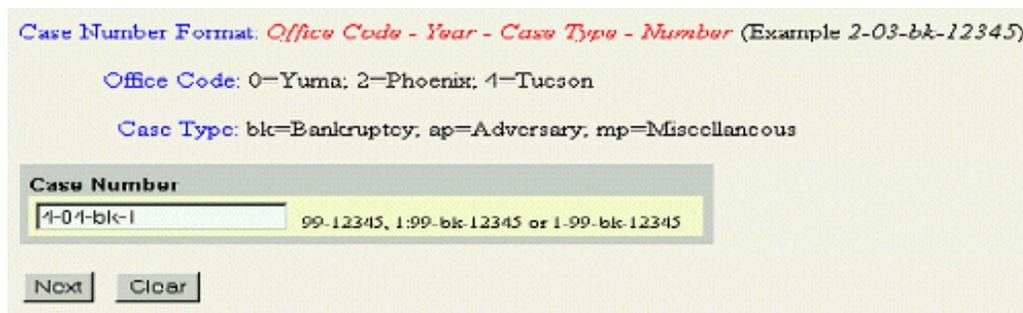

- A. Pursuant to the April 11, 2006, amendment to General Order Number 87, a claimant or agent for a claimant, who files more than five applications for payment of unclaimed funds with this court in any one year period, is subject to the General Order Number 87 requirement that all their filings must be made electronically and paper filings will not be accepted. A limited use password will be issued to the claimant or agent that can be used to make their electronic filings. A person subject to the requirement to make their filings electronically are also required to submit proposed orders electronically and not on paper.
- B. The Limited Use/Un-Claimed Funds Password has access to the following menu items on the Bankruptcy Events Menu.

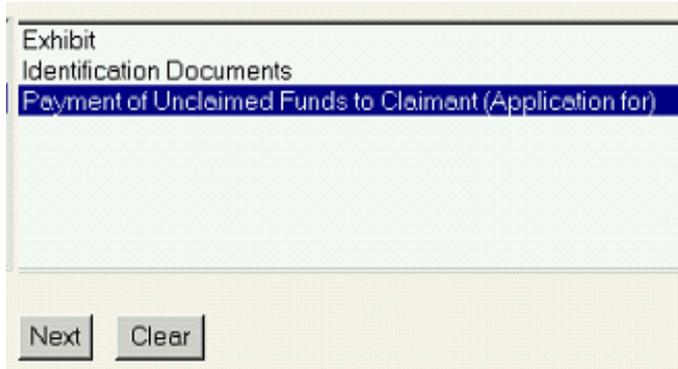

- C. Under the Unclaimed Funds option, the following documents are to be electronically filed.

- D. To file an Application for Payment of Unclaimed Funds, first select the Unclaimed Fund option and then input the case number. Be sure to include all numbers and letters as shown. If the system tells you the case number is not valid and the case number is prior to 1986, the case is not on the system and you need to call the court at 602-682-4130.

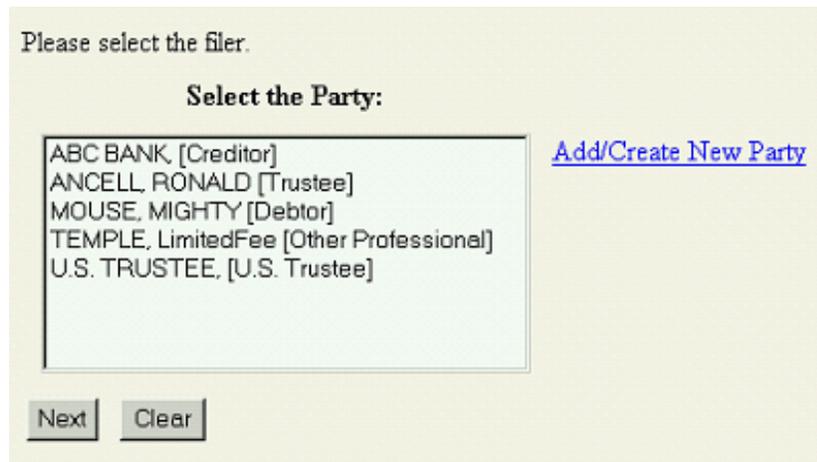

A screenshot of a web form for entering a case number. At the top, it says "Case Number Format: Office Code - Year - Case Type - Number (Example 2-03-bk-12345)". Below this, it lists "Office Code: 0-Yuma; 2-Phoenix; 1-Tucson" and "Case Type: bk=Bankruptcy; ap=Adversary; mp=Miscellaneous". There is a text input field labeled "Case Number" containing "1-01-bk-1". To the right of the field, it says "99-12345, 1:99-bk-12345 or 1-99-bk-12345". At the bottom, there are two buttons: "Next" and "Clear".

Then select the Payment of Unclaimed Funds to Claimant (Application for) entry.

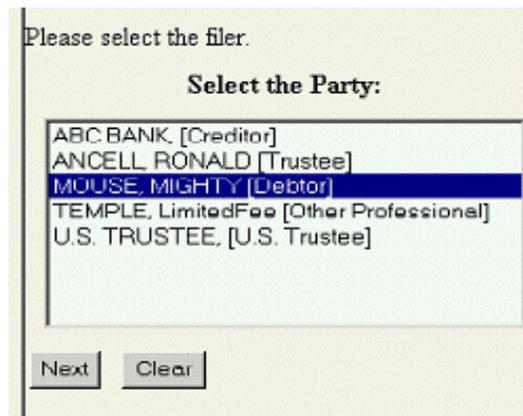

A screenshot of a software interface showing a menu with the following items: Exhibit, Identification Documents, and Payment of Unclaimed Funds to Claimant (Application for). The third item is highlighted with a blue background. Below the menu are two buttons: 'Next' and 'Clear'.

On the next screen, you need to select the party on whose behalf you are filing the application. If that person is on the list (If you are filing for the debtor, his or her name will be on the list. If filing for both a husband and wife, select both of them from the list.), if the person you are filing for is not the debtor, but a claimant whose distribution check was paid into the court as unclaimed funds, then the claimant most likely will not be on the list of parties and you will need to click on Add/Create New Party. You are not adding yourself or your company to this list, you are to add the person who gave you the power of attorney to seek the unclaimed funds for them.

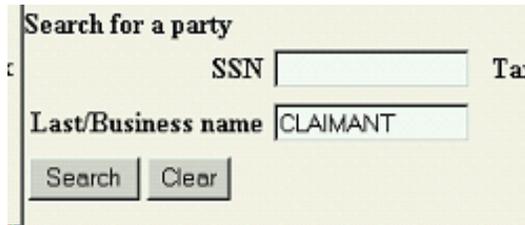

A screenshot of a software interface titled 'Please select the filer.' Below the title is the heading 'Select the Party:'. A list box contains the following entries: ABC BANK, [Creditor]; ANCELL, RONALD [Trustee]; MOUSE, MIGHTY [Debtor]; TEMPLE, LimitedFee [Other Professional]; and U.S. TRUSTEE, [U.S. Trustee]. To the right of the list box is a blue hyperlink labeled 'Add/Create New Party'. At the bottom of the screen are two buttons: 'Next' and 'Clear'.

If you are filing on behalf of the debtor, you can simply highlight the debtor's name and click on Next.

A screenshot of the same software interface as above, but with the entry 'MOUSE, MIGHTY [Debtor]' highlighted in blue. The other elements, including the title, heading, list box, hyperlink, and buttons, are the same as in the previous screenshot.

If the person you are filing for is not on the list, then click on the Add/Create New Party link. You will first be prompted to search the court's database to find if that person is already in the overall list. The search is not case sensitive. Enter the last name or first few letters of a business name and click on Search. (The SSN and Tax Id searches will only work for debtor names as those numbers are not maintained for persons other than debtors.)

If your client's name is on the list displayed, click on the name to highlight it and a pop-up window will display any address for that name. If the name selected is your client, then click on the Select name from list box. If you are not sure that the name you selected is in fact your client (for instance the address displayed in the pop-up box is not the current address of your client) instead click on the Create new party box. If in doubt, it is always best to Create a new party than to pick a listed name that you are not sure is your client.

You will next be asked to upload the application you are filing in pdf format. The power of attorney or other instrument used to give you authorization to file the application on behalf of the person who is due the unclaimed funds can either be filed as one document with your application (Adobe Acrobat Exchange can be used to combine pdf documents, whether scanned to pdf or directly converted to pdf from a word processing application) or as a separate attachment to the application. If combined into one pdf document, the attachments to document can be left at No. If they are separate pdf files, then you will need to place the dot in the Yes circle.

Any documents you are filing to show the identification of the claimant, such as copies of bank accounts, drivers license or social security card or any other document that contains account numbers, SSN's, or other identifiers should not be filed as part of the application or included in the authorization instrument filed with it. Identification documents need to be filed as a separate filing using the Identification Document entry shown above. Documents filed using that entry will not be viewable by the public, only court employees will be able to view them thus protecting the privacy of that information.

Select the **pdf** document (for example: C:\199cv501-21.pdf).

Filename
