### **WHY AM I RECEIVING A NOTICE IN THIS CASE?**

You are receiving this notice because it is likely that Titan Solar Power (or one of its affiliated companies) installed solar panels at your residence or facility. Individuals who may be owed money by a bankrupt company are considered "creditors." You may be one of the creditors in this bankruptcy.

### **HOW AM I IMPACTED BY THE TITAN SOLAR BANKRUPTCY?**

Each customer may have a distinct arrangement with Titan Solar Power. You can review your service agreements to determine the specific obligations Titan Solar Power was responsible for fulfilling. In some cases, Titan Solar Power provided installation and repair warranties for certain periods of time. Many customers are still making payments for their solar panels through a financing company. You may wish to contact your financing company to understand how the bankruptcy filing may affect your obligations or rights.
