CLAIMS FILING INSTRUCTIONS

- A. The Limited Use/Claims Filing Password may be used to electronically file proofs of claim, amended claims, withdrawals of claims, assignments or transfers of claims, requests for notice and reaffirmation agreements (with the signatures of the debtors). An attorney level ECF filing password also may be used by the attorney to file claims. **Assignments/transfers of claims, withdrawals of claims and requests for notice are not to be filed on the claims register as a claim. Those documents must be filed on the bankruptcy case docket. Your claims filing password will have access to do that. See the specific instructions below.** Your claims filing password has access to the following Bankruptcy Event Menu options. (To obtain access to Batch Filings you need to request that access when completing the registration form.)

- B. PROOF OF CLAIM OR AMENDED CLAIM. To file a proof of claim or amended claim, follow these instructions.
1. Select **File Claims** under **Bankruptcy Events**.
 2. Input Case Number. Leave **Name of Creditor** field blank and leave **Type of Creditor** box highlighted at the blank space, and click on **Next**.

A screenshot of a web form titled "Search for Creditor". The form has a light blue background and a dark blue border. It contains the following elements: a "Case Number" text box with the value "2:06-bk-1"; a "Name of creditor" text box which is empty; a "Type of creditor" dropdown menu with a blue highlight on the top bar and the text "Creditor Administrative" visible; and two buttons at the bottom: "Next" and "Clear".

A creditors list box will be displayed. Open that box and select your claimant from list. You may need to scroll down the list to find your creditor. If the scroll down bar on the right is off the screen, you may first need to use the left to right scroll at the bottom of the screen to scroll all the way to the right.

- F. **REAFFIRMATION AGREEMENTS.** You can also electronically file a reaffirmation agreement. The agreement should only be imaged/scanned (in pdf format) after it contains your company representative's signature, the debtor(s)' signature(s) and the attorney's signature if the debtor(s) are represented by an attorney and the attorney is making the declaration pursuant to 11 U.S.C. § 524 and, for cases subject to the Bankruptcy Act of 2005, the attorney also has certified that the agreement does not impose an undue hardship on the debtor. If the debtor(s) do not have an attorney or their attorney has not signed the required declaration or certification, then the reaffirmation agreement should have your company's representative's signature and the debtor(s)' signature(s).

Since the reaffirmation agreement filed must show the signatures required above, the agreement will need to be imaged or scanned into pdf format for filing. Your company is required to retain the original agreement with the original signatures.

To electronically file a reaffirmation agreement, select the appropriate one of the two following entries under Claim Actions. Use the Reaffirmation Agreement/Declaration of Attorney entry only if the agreement contains or has an attachment that includes the attorney's signed declaration or affidavit that the debtor(s) were advised pursuant to the requirements of 11 U.S.C. § 524 and for cases subject to the Bankruptcy Act of 2005 also

contain the attorney's certification that it does not impose an undue hardship on the debtor.

TRANSFER/ASSIGNMENT OF CLAIMS PROCESS – ATTORNEY/CLAIMS FILER INSTRUCTIONS

1. When filing an Assignment/Transfer of Claim (with or without a waiver of notice), Version 3 of CM/ECF has a new transfer of claim process that will result in the assignment/transfer both being filed and docketed in the BK case and also being cross-referenced on the claims register in a new claims history section.

2. While you may select a Transfer type, it is not required. The Transfer types are:

Transfer type 3001 (e) 1 3001 (e) 2 3001 (e) 3 3001 (e) 4

3001(e)1 – Transfer, other than for security, before Proof of Claim filed

3001(e) 2 – Transfer, other than for security, after Proof of Claim filed

3001(e) 3 – Transfer, for security, before Proof of Claim filed

3001(e) 4 – Transfer, for security, after Proof of Claim filed

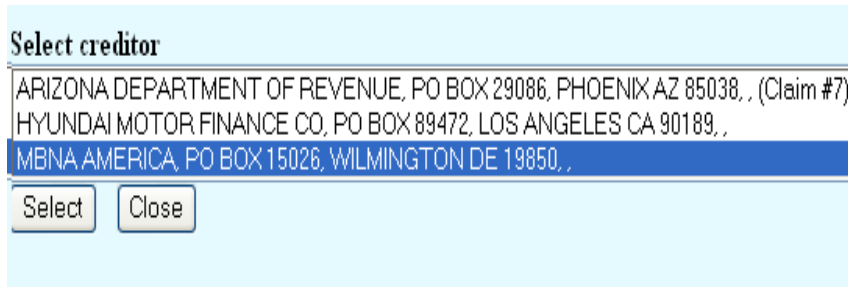

3. The transferee (assignee), the person or entity to whom the claim was transferred or assigned, is to be selected from the creditor list. First click on Search Creditors, if the transferee is not on the creditor list, which is likely, then the transferee is to be added using the Add New Creditor button.

4. The transferor (assignor), the person or entity that is transferring/assigning its claim, is to be selected from the creditor list. If the transferor is not on the creditor list, there is no option to add the transferor to the list. If the transferor is not on the creditor list, then the transferor has neither filed a proof of claim in the case nor been listed as a creditor by the debtor. In such a case, the transfer of claim will not be able to be filed using this process. Instead, the transferee/assignee must file its own proof of claim and you may attach a copy of the transfer or assignment to the claim.

If the transferor is listed on the creditor list but has not filed a proof of claim, the following warning will be displayed. While you may proceed to file the transfer using this process, you also need to file a proof of claim or you may cancel this filing and the transferee then file a proof of claim in its name, attaching a copy of the transfer.

You can tell if the transferor has filed a claim or not as the claim number is referenced on the creditor list.

If as transferee, you have had more than one claim in the case transferred to you, you may file more than one using this entry (be sure that when you uploaded the pdf document that you uploaded the transfer documents for all the transfers being done in this entry.)

5. While the transferee normally files the transfer/assignment, the transferor can file it for the transferee. The docket text simply states that the transfer was filed and states the transferee and transferor without stating who filed it.

Assignment/Transfer of Claim with Waiver of Notice Transferor: ABC BANK (Claim No. 1) To EFC COMPANY (Christensen, Toni) (Entered: 07/17/2006)

The person who did the filing is identified in the docket entry in parenthesis at the end of the entry.

6. The claims register will substitute the transferee as the creditor for claim number 4.
